

# EuroCept Copy Holder

## Maximum comfort

View your documents comfortably and ergonomically, while eliminating desktop clutter. Eurodrawer allows easy document viewing, and eliminates repeated, unnecessary neck and shoulder turning. All models are designed in robust, yet lightweight sheet metal with a grey finish.

Copy Holder EuroCept (code no 452-0081)  
A robust, independent design which stands right on the desktop. Adjusts easily to desired work angle. Includes magnet ruler.

Binder Holder Euro (code no 452-0085) has a groove to fit the folder's back binding, so folder lies completely flat. Flip fast and easily between pages. Very stable, and adjusts to any angle. **Note.** magnet ruler not included.
