Release Notes

Product Name: **K-Agent**

Current Version:

Type	Number	Date
Firmware	See below	March 2024
Software	1.0.97	March 2024
Web	–	–
Hardware	–	–

RN Date: March 21, 2024

Reference: 019566

Codependency with Other Products and Software:

Product Name	Comments
Kramer Control	K-Agent replaces the Kramer Control app on KT-20x touch panels and KT-107s running Android 10.

Known Limitations (including compatibility limitations):

QC ID	Limitation Description
NEB-8357	When entering the password on KT-107 running Android 6, the top of the screen is cut off, requiring the touch panel to be restarted. The root cause is being investigated so this version is not recommended, and users should keep using the existing Kramer Control App.

Preceding Version: 1.0.62

Release Notes History

Product Name: K-Agent

Current Version:

RN Date: November 15, 2023

Reference: 018999

Type	Number	Date
Firmware	See Below	November 2023
Software	1.0.62	November 2023
Web	–	–
Hardware	–	–

Kramer Products Affected:

Product Name	Minimum FW Version for Upgrade	Recommended for All Units	Only if Added Features are Required
KT-107	Android 10	Yes	N/A
KT-205WM	1.11.34	Yes	N/A
KT-208/WM	1.11.34	Yes	N/A
KT-2010/WM	1.11.34	Yes	N/A

Summary:

- In this version the PIN code feature is active by default (default PIN code is 9428) in order the change or disable the pincode this can only be done when there URL loaded in the APP – Please refer the user manual to reset the URL prior to changing the pin-code

- On the KT-107 the pin code is not implemented on K-agent, the existing password mechanism remains (Default password for KT-107 is Kramer) and is triggered by pressing the Kramer Logo.

- The KT-20x touch panels will auto update or you can follow the steps in the knowledge base to change the time and force the update.

- For the KT-107 the app will need to be side loaded these steps are also detailed in the knowledge base.

- Various Bugs were fixed.
