

## Profile 3000 mm

Article number (SKU)  
Colour

7380300  
Black

### Key Benefits

- Cut to any length desired

The PLM 8030 profile is a part of the Universal video wall solution. If the height of your video wall is shorter than 3 meter this profile needs to be cut on the correct height. As the profile is made from aluminum this can be done easily. If your video wall is higher than 3 meter the profile can be extended by coupling 2 or more profiles
