

# Bose Videobar™ VB1 Mount

AVTEQ's mount for the Bose Videobar VB1 brings mobility and flexibility to your meeting spaces. The mount is designed to install the Bose VB1 above or below a single display or dual displays on any of our mobile AV carts or collaborative furniture. This added flexibility lets you easily adjust the meeting room for improved collaboration.

The mount provides a display adapter that supports the following display sizes:

- 32-55 inch
- 60-75 inch
- 80-90 inch

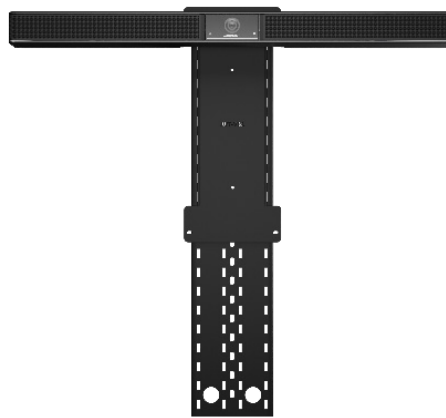

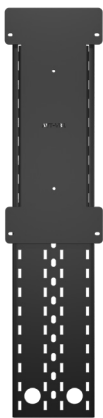

The Bose VB1 mount is compatible with all AVTEQ display mounts and attaches the videobar between the display and mount. In addition to AVTEQ mobile carts, the mount also is compatible with AVTEQ TEAMhuddle tables and credenzas.
